Tomtom Gardens is a living space project, which reflects the harmony with the masonry, woodwork and wrought iron works of the architecture of the period, with its aspects which are being renovated in line with the original historic appearance and texture, around the secret gardens and courtyards, in Tomtom Kaptan Street, in the very heart of Beyoğlu Tomtom Gardens, which consists of residential properties, offices and stores, and which is comprised of four phases, will reflect the grand and noble period of Istanbul. It is an exemplary renovation project, which is befitting of Istanbul. The project is located with a few steps from Istiklal Street which has created numerous admirers for itself ...
